

# Florida DOH Confirmed COVID-19 Cases (Through April 9, 2020)

This chart shows the daily count of newly confirmed COVID-19 cases by the Florida DOH statewide (blue) and for Alachua County (green). These numbers are taken directly from the line list of new cases published by the DOH at the address below. The charts on the left side reflect raw counts and the charts on the right side reflect population adjusted rates per 100,000 residents.
